Category:Software companies of the United States Category:Software companies based in New York (state) Category:Companies based in New York (state) Category:Software companies established in 1972 Category:Companies disestablished in 1999 Category:2001 disestablishments in New York (state) Category:Software companies of the United StatesQ: Replacement for * Is there a way to take the place of and, or and xor in python? I've been trying to do it for a long time but don't seem to succeed. I'm aware of the time consuming method of using unittest.mock and unittest.mock.patch. Here's my sample code: a = 1 b = 2 c = 3 d = 4 a & b # 82138339de
