What's New in the Hallmark Card Studio Deluxe?

With Hallmark Card Studio Deluxe
you are able to create holiday,
birthday and other types of greeting
cards fast and easy. You are able to
use the graphics and editing tools to
create your custom card in a very
simple way. Once your card is ready
you can send it to your friends and

family by email. You can save your work and return to it whenever you want. What's new in this version:

Version 5.3.0.264: + New function: Now you can easily remove the “Rotate” effect on your photos, shapes and greeting cards when you export them to a PDF. + When editing cards, you can now edit the borders directly. + You can now publish the created cards to Twitter! + Fixed bug: When you were exporting cards, the preview window was always at the same height. This is fixed. + Improved text positioning when editing with the graphics editor. + Improved the orientation of the pop-up window during card design. + Improved the export of cards and other objects. + Many other minor improvements, bug fixes

and optimizations. Hallmark Card Studio Deluxe is a software solution for those who have some great ideas that they want to put on a card. With it you are able to design a wide range of greeting cards which you can then print out and deliver to friends or family. Simple and attractive interface From the moment you run Hallmark Card Studio you can see how ‘harmless’ it is to the average user. Everything is colorful, animated and just pleasant to look at. Its main window prompts you to choose the card related activity you want to start. You can work on a saved project, browse the themes or get started on a new card from categories such as ‘Birthdays’, ‘Holidays’, ‘Special Days’ and ‘Day by Day’. Create custom cards using an intuitive graphics

editor Hallmark Card Studio Deluxe provides an easy to use editor that comes with all the tools you need in order to design a unique card for someone. You are able to add custom text or insert predefined greetings and patch them here and there, insert shapes and create a pattern, add photos and make them pop with a frame. Additional ease of use is given by the fact that you can manually reposition each element which is inserted into the card design. You can zoom in and out to see how shapes align or zoom out to see

System Requirements For Hallmark Card Studio Deluxe:

Windows 7, 8.1 or 10 (64 bit)

DirectX 11 2 GB RAM minimum

This game does not work on 32-bit

Windows versions. We are also

happy to announce that the game will be available on Steam as a part of our premium service. For those of you interested, Steam users will be able to access the arcade mode, for up to 6 players.
