AutoCAD LT 2010 32 Bit Free Download [WORK]

Good evening, I would like to know if you have a way, I am uploading 32- bit product AutoCAD 2010 as my computer is only compatible with this version. I know there is no 32-bit version of AutoCAD 2008, but unfortunately the 32-bit version of AutoCAD 2010 is not compatible and I can't uninstall it. At the same time, I'm trying to use Autodesk Maya 2010 to create a 3D scene, but when I try to open an Autodesk Maya 2010 file, it asks me if I can open 32-bit AutoCAD 2008. I'd like more information on how to install AutoCAD 2008 on my system if possible as I can't uninstall it.
