
AutoCAD Architecture 2010 Activation Code Keygen Crack

August 3, 2015 - I need a new code to reactivate AutoCad Architecture 2010 with serial number XXX-XXXXXXXX , product key 185B1. I can't use the program with . net 4.5 (I can't select "cancel" option, no "new activation" option). Please take the time to help me. I tried to do a few things but they didn't work. I would be grateful if you could tell me how to properly contact the administrator and what to do. I can't use the software on other computers, and on my work computer I can't use the software because I have to overwrite it.
