25th Frame Effect Text Player Crack Free Download [Updated]

After the player starts the text is played at a speed you want. Each paragraph is done automatically. At the same time you can change text color, position, size, add watermark, paragraph, etc. You can play the text as much times as you want. The idea behind this is to memorize huge amount of text using the human's creative brain power. The 25th frame effect is an optical illusion effect of repeating the same frame to the mind over and over again. Also this application can be used as an Anki flashcards and OCR Software. 25th Frame Effect Text Player Screenshots: Enjoy using the new 25th Frame Effect Text Player application and see how your mind will remember information.
