

Download a free 30-day trial of Revit LT, an intuitive 3D Building Information Modeling (BIM) which can help you create high quality projects. Revit LT comes with a free update to stay current until 2019 (at least for now). It is the most popular BIM platform for Building Information Modeling and Modeling used in the US. It is mainly used by construction and design companies, but it can also be used by architects, interior designers, engineers, and many others. Revit LT is software that will help you create designs for your business.
