- The Story The protagonist finds himself in a gloomy land far away from the beautiful lands of the Elden Ring Cracked Accounts. In the distant land, there is a mysterious warring city. The protagonist, under the guidance of an ally, ventures into the city and obtains the ultimate power of the Elden Ring. With

the help of the divine powers, the protagonist creates a world that echoes with his power, and he becomes an Elden Lord. • How to Play The former land of happiness has turned into a gloomy one. Let's boldly confront the new Tarnished Land. Tarnished Lands are places where the Shadows have spread out. In order to purify the Tarnished Lands, a quest has been entrusted to you. By defeating Tarnished Monsters and obtaining Amulets, pieces of the Tarnished World are lost and the world becomes darker. The protagonist battles through the darkness to find the light and purify the world. There are three kinds of quests. -An action-oriented quest called "Quest" As a simple action-oriented quest, you will be able to clear stages that proceed in a linear manner. The world map is displayed at the top of the screen, and the actions and dialogue are displayed on the bottom. The world map is for referencing where the characters are, while the actions and dialogues are used for the actual game. - A quest with an action-oriented atmosphere where the actions and dialogues are interwoven and the world map is displayed - A quest for fans of action RPGs like the action-oriented quests in the previous titles The action revolves around which quest you choose to play first. Quest Flow (1) The quest level is set. (2) You enter a certain room of the Tarnished World. (3) You are sent to the battle against a boss, which only the protagonist can fight. (4) You can receive the necessary items, a Solgaleo and Riolu, or a conversation with a character of the Tarnished World. If you have a clear goal, it is more likely for you to receive a conversation with a character, such as a quest related to the conversation. A dialogue line can be selected from one of several choices. If you have more than one of the same choice of dialogue, the conversation will proceed to the
