What's new:

Now that the previous three novels have been translated into Japanese, a world drama has begun featuring a young prince among his closest servants who journey to the lands beyond. Amid the incessant tumult of Orbaen, the Land of Paradise, The Moonlit Land, and so forth, the king seeks to restore order and maintain the peace, while restoring the magic that has been lost since ancient times. The present king is the last of the line of the strong royal families. In the previous generation there was no child born whom this was not the case.

It is time to take a step forward within this vast and beautiful world and plunge into the world of Orbaen.

**PIRATES EYE (TYUYA) 5
December 2016 NIS America**

I found a NIS America release that I wasn't aware existed. The bizarre selection of pirates in magical girl anime ADVANCE, though? I'm definitely pleased with the planar of TYUYA. Boating throughout the living landscape of a big world map will allow our heroes to go about their own thing as well as perform an attack on enemies.

Similarly, support characters and conditions can be added to the party in order to counter opposing parties, allowing for more diverse gameplay.

I looked at every NISA title and this is going to be absolutely amazing. Can't wait.

The Elden Ring: An RPG Action Game That Encompasses Fantasy, Sci-Fi, and Eastern Ambience the Action RPG game that explores the fantasy-style action RPG game system of the most popular RPG series "OAV". "Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between" A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. "Create your own character" In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. "An epic drama born from a myth" A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. "Unique online play that loosely connects you to others" In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. "Gaining a feeling of history" A story that transforms legend into reality. An epic story that has many stories based on history. "The main character is the hero of the Elden Ring" The main character is the person who has obtained the stone the Elden Ring. Their character is a descendant of the main character of "OVT*" and all actions will be linked with the contents of the previous game. "The setting is a world of magic" A world where magic is allowed to be used freely. And a world where existence and reality are fundamentally different, and where the balance between them is constantly changing. "Innovative battle system that enables creative combos"
