- Each match this season will have a "Match IQ Rating," which quantifies player performance over multiple factors. The complete package of game modes, including "Team of the Year," "Career Mode" and "Superstars," will be available as of March 16. The all-new game engine powering FIFA 20 and FIFA 21, and the all-new "Life As We Knew It," Retrogaming mode will be available as well. We'll have more to share on those modes over the coming weeks. "This year's FIFA World Cup is the biggest ever on the world stage and we're excited to see how players embrace the incredible challenge," said Alex Villar, FIFA 21

Producer. “For FIFA World Cup fans who want to replay the competition, FIFA 20’s revolutionary “Retrogaming Mode” will take players back to the World Cup games of yesteryear. And thanks to the “Dynamite” version of the all-new “Team of the Year” mode, fans can experience the World Cup on their own terms. We can’t wait to see what the people who are our biggest FIFA World Cup fans will do with these modes.” Additional FIFA World Cup information will be available on FIFA.com and the official FIFA Mobile App for iOS and Android. Below are additional highlights from our E3 2018 presentation: FIFA Ultimate Team • Awarded “Play of the Year” for “Diego Maradona” in FIFA 19. • New “Athlete - Journey To Greatness” Theme • Includes greatest World Cup players of all time - Lionel Messi, Cristiano Ronaldo, David Beckham and more. • New Diego Maradona Theme, including photos, team stats and the celebration of his goals. • Major additions to FUT Draft mode including FUT Ranks, Draft Tools, Draft Packages and MUT Draft. • FUT Ranks in FUT Draft mode include Superstars, Greats and Stars. • New Draft Packs in FUT Draft mode include “Rejuvenated,” “The Elusive” and “Signature.” • New

magic, re-imagining popular features from FIFA 17, FIFA 18 and FIFA 19. FIFA 22 adds a host of new features and improvements to the game across three main areas. FIFA The World Game – a deeper and more complete version of The World Game Each year sees The World Game feature new content in the form of goal celebrations and kits. This year FIFA 22 introduces even more innovations – including new goal celebrations, icons, and kits. In addition, fans will be able to sample the FIFA 22 football leagues, including the English Premier League, La Liga, Serie A, Bundesliga, Ligue 1, the UEFA Champions League, the UEFA Europa League and the FIFA Confederations Cup. Complete details will be provided by the game’s launch. Real Player Motion (RPM) This year introduces Real Player Motion (RPM). For the first time, player movement and animation are matched to the player’s physiological data, resulting in dynamic, authentic game play. POWER DRIBBLES FIFA 22 introduces a range of new and improved dribbling and movement options to give you more freedom to dictate the pace and style of play. More dribbles and more elusive skills will let you be creative and take on your opponent.
