They call him Vagabond. But when his rivals have all fallen and the city has been declared “infected”, he will bring an end to the Orks... or at least try. Flyboyz Edition includes: Dakka Squadron - Flyboyz Edition for Windows/Mac, plus access to all current updates as they are released. Epic Mega Pack: This exclusive Epic Mega pack includes the game, a Steam Key, and the exclusive Dakka Squadron 1-Year Subscription. Dakka Squadron: Dakka Squadron brings you to the 41st millennium, where the Orks are the dominant, war-loving force. As a member of the Ork Flyboys you must master dog fighting, air combat, and exotic weaponry in a battle to determine the fate of the Orks’ forces across the galaxy. Fly and shoot your way through the campaign, unlocking more weapons, upgrades, and even a squad of basic Dakka Drones. Airlock Missions are an insane space combat experience where you take command of an Ork-themed fighter and fly through a series of interconnected levels. Multiplayer Deathmatch Mode lets you “bring your jets from your campaign loaded for war!” and battle against AI Orks, or other players in the game’s free-to-play die-match. The Steam version of Dakka Squadron includes the same great features as the Mac and Windows versions of the game, including achievements, leaderboards, and unlockable weapons. Dakka Squadron: Dakka Squadron is a fast-paced, aerial shooter where you are an Ork Flyboy, taking to the skies to do what Orks do best - fight!

Fly across alien worlds, against insane odds, blasting away with your Supa-Shootas to destroy enemy air forces and ground targets, while unlocking new weapons and upgrading your plane to be the most "dead killy" Flyboy in the sky. Choose an Ork Clan and customize your jet to augment your play style. Fly Dakkajets, Burna-Bommas, and Blitzza-Bommas, equip them with an array of guns, bombs, and missiles, learn special maneuvers, and unleash your dakka and test your mettle against your fellow Flyboys in a deathmatch multiplayer mode, and against deadly enemies in the campaign.
