The world of Doma, which stands on a continent named Elsбет, is one of the world's three great continents. The other continents are known as Land of No Wind, Land of Nine Moons, and Land of Belzerr. A vast, peaceful continent, Doma is said to have been closed off to outsiders for hundreds of years. The world is constructed with a music-like design, and the people's souls can be guided by the melodies, and shape their Doma according to the music. In Doma, there is a world that is not affected by the passions of the Land of Belzerr or the Nine Moons, and has never known the existence of war. The people of Doma, who are made of pure emotions, live their lives harmoniously in a world filled with beautiful dreams, and where their souls are guided by music. Together they journeyed into the frozen Lands Between and ascended the tower of Addom and searched in vain for the Elden Ring, but they learned that the Frozen Lands Between had remained frozen, and that it was left to unknown fate. Then as a violent thunderstorm brewed over the mountains, the scent of the Blood of Death and the icy breath of Zaunik emerged, and the Queen's evil plans were set in motion.***
