There were some comments in the Kickstarter which asked if a guy could wear this stuff too? The answer is yes, of course. The only difference is that the male version will have men's clothing which has a similar effect. This is available as a special reward in our Kickstarter and if you have a Kickstarter you can pick it up as well. We can only give you one reward from the Kickstarter, but we are accepting multiple rewards, so it may be that you pick the outfit, which will have a men's version as well. I used to get great enjoyment from viewing some of the hottest anime bishoujo clothing on the internet. It's no longer the case, but they weren't just made for anime bishoujo fashion, but for guys who are just wanting to look a bit better. There are more such outfits that are male oriented, but I want to focus on this one, because it will give you a sense of how it will look on the character. The effect can be see on the image to the left, although it doesn't represent the 'finished product' on the character. It's a mock up, and it's hard to get a sense of the colour change and how the outfit looks on the character. You can see a video of the outfit on the character below: I did not use a costume, but it will be enough for what I'm trying to achieve. I will provide more information as soon as I have it. I can also share a full video, in addition to a.txt file of the adjustments I have made to the outfit.
