Japanese Laid-Open Patent Publication No. 2012-103023 discloses a typical fluid dynamic bearing motor including a housing and a shaft, which rotates inside the housing, and a sleeve around which the shaft is rotatably supported. The shaft is inserted into the sleeve from an opening of the sleeve, and a flange is provided on an end of the sleeve. A thrust air bearing is provided between the flange and a thrust collar, which is fixed to the housing. A thrust pressure plate is provided between the thrust collar and the shaft. The thrust pressure plate contacts the thrust collar so as to form the thrust air bearing. The thrust collar and the shaft are pressed against each other by a pressure of air that is supplied from the thrust air bearing. An annular seal portion that seals lubricant that fills the sleeve is provided between the flange and the thrust collar. A sealing portion that seals the lubricant of the sleeve is provided between the flange and the thrust pressure plate. A thrust groove is formed in an inner circumference of the thrust collar. A thrust plate, which is fixed on an outer circumference of the shaft, is provided in the thrust groove. Lubricant is supplied to the thrust plate. The thrust collar is rotatably supported on the housing, but not fixedly supported on the housing.Q: Echo a script in javascript I am trying to create a php page which the user clicks a link and I run a command. We had previously used Goggle so no big changes there but the new website is designed from the ground up to be mobile first so use your phone not your laptop. Our new website now features our design portfolio so you can see how we can make your brand stand-out. We also have a blog and a newsletter now. If you are looking for a new website then contact us. If you are looking for a redesign then we can help. We do have a minimum project size and we will tell you if we can't do it.

Contact Us We are always happy to receive an email or phone call so contact us for more information or a free initial consultation.. For a more traditional option, choose a special occasion - we have lots of ideas, our own chefs will work with you to design the ideal menu. Our menus include... Chilli with saffron, walnuts and broad bean Gorgonzola and roasted radicchio with plums and mascarpone Steak with home made potato waffle, mushrooms and coffee sauce Chocolate fondue with banana coconut cake and a chocolate fountain
