Tarun Kumar Rawat's signals and systems. Signals and Systems, Tarun Kumar Rawat. In trend today.

MATERIALS OF SCIENCE ace academy notes. What exactly in modern society, in the system of education, science, business, in art, and in other areas of life, one can observe the desire for simplification and standardization. To do this, it is necessary to reduce the level of complexity, while not losing the ability to maintain the quality of a particular system at a high level. That is, instead of improving the quality of the system by complicating it, they begin to reduce the level of complexity.

This can be fully attributed to the education system.
